

Fidelity National Title & Escrow, Homes and Land Magazine and Maui Now are proud to honor this year's 2020 Maui's Top 3% Real Estate Agents.

This list is comprised of the top selling 50 agents on Maui based on their sales production for 2019. With over 1,700 licensed real estate agents on Maui, earning the top 3% is no small feat.

We celebrate these agents who earned their success in their unwavering commitment to working with principals in the purchase or sale of real estate, in the agent's innovation in an ever-changing technology market and in their dedication in giving back with their time and finances to the organizations that are dear to them.

HOW WE ARRIVED AT THE NUMBERS. 2019 Agent production numbers come from the Realtors Association of Maui's Paragon system. Totals are based on all closed sales volume for homes, condo, land transactions and project sales, only, using the agents listed in Paragon. (Referral commissions are NOT included). If there are co-listors or co-buyers in MLS, the closed sales volume is shared equally. This information is deemed reliable but not guaranteed.
